

***Don't worry. We have a dental savings solution for you called the Distinctive Smile Program.***

**For an annual fee of just \$98 for an individual or \$186 for your whole family, you will realize significant savings on your dental care and won't need to worry about the irritating rules, deductibles and restrictions of traditional dental insurance.**

---

***How the Distinctive Smile Program works:***

- 1.) Once you pay the annual fee of \$98 for an individual or \$186 for your family, the program starts immediately. There is no waiting period for benefits to begin.
  
- 2.) Distinctive Smile Program participants will experience 15% savings on all services\* offered at the Centre for Distinctive Dentistry, including cleanings, x-rays, exams, fillings, build-ups, crowns, bridges, implant crowns, white ning, and root canals. (*\*The discount does not apply to sedation services, sleep apnea appliances, or product.*)
  
- 3.) There are no maximum coverage limits or deductibles.
  
- 4.) There are no monthly premiums or complicated office co-pays.
  
- 5.) There are no annoying insurance claims to submit.
